

## SCHOOL PARTICIPATION AGREEMENT

Thank you for becoming part of Silver Stories. In order to display and use the Silver Stories logo on letterheads, website and other school documentation all we would ask is that you:

- Commit to a long-term involvement in the project; the Silver Listeners that will be linked with your school will rely upon your weekly contact and this is not something that can cease without notice, dialogue and preparation.
- Keep in touch with the Silver Stories Charity and let us know how many Silver Listeners you are supporting, identifying the numbers provided by the Charity and the number of Silver Listeners that you have identified in your own community.
- Let us have feedback from both Silver Listeners and Silver Readers. We have found that participants on both sides of the project express their enjoyment and pride and it is lovely for us to be able to have access to these comments.
- Consider sharing with the charity an email and phone contact for the project within your school so that we can communicate with you if necessary or share charity news with you.
